3 Bedrooms | 2 Bathrooms | 2,118 Sqft

Discover a perfect blend of classic charm and modern elegance in this Charleston-style home. Nestled on a quiet cul-de-sac, this residence features double front porches perfect for enjoying the tranquil neighborhood atmosphere. Inside, beautiful wood floors and high ceilings complement elegant crown molding, while large windows fill the space with natural light. The main level offers a formal dining room flowing seamlessly into the open layout with living area and kitchen, ideal for hosting or relaxing evenings. The modern kitchen is adorned with glossy granite countertops and a striking backsplash. Stainless steel appliances and a vast island with breakfast bar complete this gourmet hub, making it ideal for both cooking and conversation. A Butler's pantry gives extra storage and enhances your entertaining capabilities. Upstairs, the owner's suite is a true retreat, featuring a large walk-in closet, a luxurious ensuite with double vanity & spacious tiled shower, and private balcony access. Two additional bedrooms offer ample space for family or guests, complete with a shared full bath. For those who appreciate outdoor living, the screened porch extending into the well-maintained backyard offers a perfect retreat for relaxation and privacy. The rich greenery of the lawn, bordered by a wooden fence, ensures a tranquil setting for
