Easy living! 8891 E Fairway Woods Drive has the features to make that idea a reality in beautiful Coosaw Creek Country Club. Let's start with the low maintenance exterior: Hardiplank siding, composite decks and porches and wood-free rails all combine to free up your time to enjoy resort style amenities. Drive up to the home and enjoy the ease of the half circle drive. Walk up the brick steps to the welcoming front porch that opens up into the family room with views of the golf course and pond beyond. To your right is the gorgeous custom eat-in kitchen with amazing cabinetry and appliances. And yes, all of the appliances stay with the home! Rounding out the first floor, you will find a private 4th bedroom and full bath, as well as a large covered porch and open deck off of the kitchen to enjoy the fully fenced backyard. Upstairs is thoughtfully designed with the master and full ensuite the right. Two additional bedrooms are to the left, both with cathedral ceilings, walk-in closets, and a shared Jack and Jill bath. The very large laundry room is also in this wing of the house, and washer and dryer both convey with the home. The primary and secondary bedrooms are separated by a generously sized bonus/media room.
