3 Bedrooms | 2 Bathrooms | 1,852 Sqft

Classic Charleston Single on lower Tradd Street, between King and Meeting. It has been previously updated while retaining its charm and history. You enter through the front door into a formal living room with a fireplace. The separate dining room offers cozy banquette seating. The generous kitchen and sitting room lead to a magical private & gated courtyard. The courtyard offers enough room for multiple sitting areas and configurations. A half bath is on the main floor. The three bedrooms are on the second floor. Two of the bedrooms feature ensuite baths. The master bath is spa-like with a large soaking tub. The laundry area is conveniently located on the second floor. On-street parking for 2 vehicles through permits. Listed By Charleston Trident MLS
