4 Bedrooms | 4 Bathrooms | 2,870 Sqft

Welcome home to 2795 McFadden Way in the sought-after Stonoview community on Johns Island. The extremely well designed Tradd floorplan is exceptional. This 4 bedroom, 4.5 baths home also enjoys an upper flex space, as well as a home office / bonus space. As you enter you immediately note the abundance of natural light, the open floor plan, and the beautiful low maintenance LVP flooring (installed throughout the home!) - no carpeting anywhere :) The living, dining, and kitchen combination make for wonderful entertaining. The design selections throughout are perfection and include a bright Chefs kitchen with stunning counters, stainless steel appliances and neutral backsplash. A gas fireplace centers the living space and the dining area space is abundant. The oversized first level Owners Suite has two walk in closets with wonderful built-ins. The spa like bath features 2 sinks, a soaking tub and separate shower. A powder room rounds out the first floor space. Hardwood steps lead up to a flex area with adjacent home office / bonus space and a second porch. Each bedroom includes its own bath area and fabulous closets. The laundry room is conveniently located on the second floor (and there is a second laundry space in owners bath) Headed outside, the screened in porch is equip with vinyl enclosures so to enjoy the cooler months,
