Southern charm exudes from this classic lowcountry home which envelopes you with warmth upon entry. Steps away from shopping and dining in the quaint Old Village area. Only a short 5 minute drive to Sullivans Island beach. Once inside, you will notice the beautiful light that bounces off the huge oak trees scattered over the property. The gourmet kitchen offers a cabinet panel fridge and Thermador appliance package and large island. Just off the kitchen is a beautiful built-in cocktail or coffee bar. The pantry/scullery is quite large and also hosts a brand new Samsung washer and dryer. This area is perfect for hiding all those kitchen appliances and offers tons of storage and prep space for special events/catering. The office is a nice area for working or a quiet place to read a book. The great room offers a fireplace for warm cozy nights and rainy days and is flanked by built-in shelves and cabinets. This home offers dual primary suites so take your pick! The ensuite baths are luxurious and take note of the custom tile showers, luxurious soaking tubs and private Bidet. The enormous second level primary retreat offers multiple options such as, multiple twins, two queens or king and a sitting area. This home features a very large flex room upstairs and a fantastic wet bar with fridge and coffee bar. There are two more bedrooms upstairs with a shared
