Gorgeous and fully remodeled, this 5-bedroom, 3.5-bath home offers both style and function. The main level features a home office, formal dining room, and a spacious living room that flows seamlessly into the gourmet kitchen, complete with custom cabinetry, an added window for natural light, and a cozy eat-in area. You will also find a huge mudroom with a full wall of cabinets providing exceptional storage, a powder room and two car garage. Upstairs, you'll find all bedrooms, including a stunning primary suite with a beautifully renovated bathroom featuring a separate tub and shower with gorgeous custom finishes. Two bedrooms share a Jack N Jill Bathroom, and the two additional bedrooms share a hall bath. A large bonus room and well-appointed Laundry Room complete the second floor. The home features hardwood floors throughout, stylish finishes, and smart storage where you need it. Set on a large, wooded lot with a privacy fence, the backyard is perfect for entertaining with an oversized patio and room for a pool. A full-house generator adds peace of mind. This home truly combines elegance, comfort, and practicality in one exceptional package. Fenwick Woods is minutes to some of the best restaurants on Johns Island and is less than 20 minutes to Historic Downtown Charleston.
