607 Watershed Drive is a stunning home in the coveted Liberty Hall Plantation neighborhood. Built in 2010, this home features 6 bedrooms and 2.5 bathrooms. As you approach the home, you'll be captivated by its pretty exterior, boasting a welcoming front porch, classic columns, and charming brick details. As you enter the home, you will notice the beautiful, open floor plan and the easy-to-maintain LVP flooring that runs throughout the house, with the exception of a few closets, bathrooms, and the laundry room. The spacious kitchen features a large island, granite countertops, and stainless-steel appliances. One of the kitchen's most notable features is the custom-designed pantry, which offers an incredible amount of storage and organization. Featuring built-in shelving, an expansive countertop for food prep, and pipe-style open shelving, this pantry is a functional and stylish space that will make meal prep and organization a breeze. The first floor also has a private guest suite featuring a walk-in closet and located adjacent to the half bathroom. This home offers great space for a large household and for entertaining and hosting guests. As you enter from the garage, you'll find a conveniently located drop zone. This practical space features built-in cubbies and hooks, and overhead cabinets, providing the perfect spot to store coats, shoes, and
