It doesn't get any cuter than this precious cottage style home that abounds character at every turn! Come take a look at 1092 square feet of pure adorable. The fully remodeled kitchen features new cabinets, specialty light fixtures, a farm sink, stainless steel appliances and open wood shelves that add to its unique vibe. With new LVP throughout the living areas, it gives a clean open look the moment you walk through the door that carries all the way back to the kitchen. Past the kitchen, you will find a laundry area with built in shelves and a door leading to a large patio perfect for a night of grilling! The new privacy fence installed in March 2024 makes the back yard a beautiful space to enjoy. There are two guest rooms that share a conveniently located hall bath (hidden behind the barn door) that will give you all the feels of a Narnia armoire or a Hogwarts closet! Continue back to the Owner's bedroom which has it's own en suit. All bedrooms were given new carpet in July 2025 so everything is clean and fresh. No need to worry about the storms or power outages because this home has its own Generac! The home sits on a large lot and has a workman's shop with a spacious screened porch attached. Both of these are ready and waiting for you to decide how to use the large spaces. A little work will make these two spaces some of the most enjoyed on the
