Experience exceptional Daniel Island living in this bright coastal home! Boasting 2,677 total sq ft (including a desirable detached, conditioned FROG), this property blends luxury with unparalleled walkability. The main level features a home office with custom shelving and seamless hardwood floors throughout the open-concept living area. The kitchen has quartz Silestone countertops, a shiplap island, a 5-burner gas stovetop, and stainless appliances. The family room offers a gas fireplace flanked by custom built-ins. The main floor Primary Suite is a private retreat with a spa-like ensuite bath, featuring a frameless glass shower, oversized tub, and spacious walk-in closet. Upstairs includes a large flex room, two generous bedrooms, and a full bath. The detached FROG (484 sq ft) is fully finished and currently configured as a media room with a golf simulator, easily flexing into a private office or guest suite with an extra-large storage room. Outdoor living is enhanced by a tranquil screened porch, a full patio, and a low-maintenance turf backyard with durable TREX steps. Enjoy true walkability to the Daniel Island School, Crow's Nest Pool, Town Center shops, and Credit One Stadium. This is Daniel Island living at its finest!
