Welcome HOME! What a beautiful home! It was built with the Craftsman upgraded package by the premier builders, Toll Brothers. You don't want to miss this beauty with hardwood floors, quartz countertops, and herringbone tile backsplash in the chef's kitchen with a custom range hood. The master bedroom with ensuite on the back of the home is spacious with lots of natural light. The laundry room is adjacent to the master closet. The ensuite is amazing with a large cave shower. The backyard is a special oasis with a tabby patio for the grill and fire pit just outside the large screened porch for those summer days. The property backs up to a walking trail and preserved woodlands for wildlife + privacy. This wonderful community has so much to offer...waterpark, agrihood farm...con'tpickleball, tennis and basketball courts, playground opened this spring in May 2025. There are 9 miles of walking trails, olympic size pool, community gathering barn, 4 lakes, fishing dock, soccer field, and playgrounds. This home is a beauty that you don't want to miss! See you soon!
