As you approach you will notice the wrap-around porch and 2-car garage. Once inside you will find the beautiful LVP flooring throughout the main living area. The flex room just off the foyer can be a dining room, office or second family room. It has a ceiling fan. As you make your way to the back of the home you will find an open floor plan. The kitchen has quartz countertops, a tile backsplash and a large sink. The 42-inch white shaker-style cabinets have crown molding and above display area. The lighting is recessed. The pantry and island provide plenty of storage. The stainless appliances include a dishwasher, a built-in microwave and a gas range. The dining area is between the kitchen and the family room. Multiple windows in the family room and the sliding glass door in the dining area provide lots of natural light. The family room has a ceiling fan. The half bathroom on this floor has a pedestal sink. Upstairs you will find a loft with a ceiling fan. It is currently being used as a game area. It would make a great play area. The huge primary bedroom has a ceiling fan and a large walk-in closet. The primary bathroom has a dual sink vanity and a soaking tub. The walk-in shower is tiled. The second bedroom has chair railing, a ceiling fan and a walk-in closet. The third bedroom has a ceiling fan. The fourth bedroom has a ceiling fan and a walk-in closet. The hall
