4 Bedrooms | 2.5 Bathrooms | 2,369 Sqft

Welcome to the Taylor Plantation Community, one of the area's most well established and sought after neighborhoods located within the DD2 school district. This lovely 4 Bedroom 2.5 bath home features an inviting layout offering 2369 square feet that combines comfort, elegance and convenience. Step inside to an open plan perfect for entertaining family and friends and which allows guests to move freely between rooms. As you open the front door, you are greeted by a flowing living and dining area. Continuing on, you are greeted by the great room and finally the heart of the home, the kitchen offering both style and functionality for the modern homeowner. Rounding out the first floor is a half bath is conveniently located just across from the drop zone which is adjacent to the garage entry. Do you want to take a breath and relax from a long day? The sliding glass door gives you access to the outdoor screened porch which is perfect for spending your low country nights. This screened porch overlooks a stunning and sizable back yard that has been impeccably maintained. For the gardening enthusiast, there is a side portion of the yard with planters that can easily be used to grow your favorite herbs or vegetables. The extended patio offers plenty of space for grilling and socializing. Upstairs, you will find an extremely large primary bedroom
