Welcome to this sunlit home offering a wonderful flow and thoughtful upgrades throughout. The kitchen blends style and function with stainless steel GE Profile appliances, a gas range with oven hood, and double wall ovens—perfect for both the everyday cook and the entertainer at heart. Two pantries provide ample storage, while the spacious eat-in dining area opens seamlessly to the living room, filling the space with natural light. A cozy alcove is ideal for a desk or custom built-in, and a half bath just off the kitchen adds everyday convenience. You'll appreciate the custom-fitted closets (even within the elevator shafts), hardwood flooring, and the beautifully updated entryway with tile and shiplap accents adding warmth and charm. Step out to the large screened-in porch, directly off the kitchen, where you'll enjoy the privacy of an end unit and serene wooded views. On the lower-level walkout, an outdoor Jacuzzi awaits the perfect place to relax and unwind. Both the Jacuzzi and outdoor TV convey, making this retreat truly turn-key. Upstairs, all bedrooms and the laundry room are conveniently located. The primary suite is expansive and stylish, highlighted by an accent wall and a spa-inspired bath with dual vanities, soaking tub, glass shower, and generous walk-in closet. Two additional bedrooms and a full bath complete the upper level, where
