**5 Bedrooms | 2.5 Bathrooms | 2,530 Sqft**

Superbly designed home on a canal which is only a short boat ride to Lake Moultrie. Details make a difference in this classic five bedroom and two full baths plus one-half bath home. You'll appreciate the care and pride throughout. Curl up by the awesome fireplace, enjoy the beautiful kitchen, have your favorite beverage on the porch, and view nature's beauty. So many extra features in this home. Also, there is an approximate 1216 square foot garage with two 12' doors on this lot. Also, an additional canal lot is included which has an approximate 516 square foot garage. A must to see!
