Welcome to your dream retreat! This charming ranch-style home, spanning over 3600 square feet offers multiple options all on one story. Step inside and discover a spacious layout featuring a large game room perfect for entertaining, and an enclosed air-conditioned bonus room where you can relax year-round. The unique dual kitchen setup provides ultimate flexibility for foodies or multi-generational living. Beyond the main residence, this property boasts an expansive 55+ acres, a true haven for nature lovers and outdoor enthusiasts. Explore your own private creek and pond, ideal for fishing or serene contemplation. With ample hunting and farming land, the possibilities are endless for those seeking a self-sufficient lifestyle or a recreational paradise. Completing this exceptional estate is a detached two-car garage, providing convenient parking and storage, alongside a large workshop - perfect for hobbies, projects, or additional storage needs. This property offers a rare combination of luxurious living and vast natural beauty, creating a lifestyle of peace and privacy.
