This elegant brick residence sits on over 1/2 acre and exudes sophistication and modern luxury! Step inside to discover an open-concept floor plan designed for both comfortable living and effortless entertaining. Rich, gleaming hardwood flooring, 9' smooth ceilings and fresh paint throughout. Beautiful Living Rm has picture frame molding and tray ceiling and the formal Dining Rm offers picture frame molding also, overhead chandelier and arched windows. Large Family Rm features soaring ceilings, recessed lighting, gas log fireplace and direct access to the sun porch. Gourmet kitchen boasts premium upgrades, including custom cabinetry, granite counters, high-end stainless steel appliances, gas range, breakfast area, counter bar and pantry. Amazing master suite offers lots of natural light, double tray ceiling and fireplace - the fireplace is in a rounded niche space in the room and is flanked by windows. It adds charm, warmth and is the perfect spot for curling up with a good book. The master bath has 2 closets, dual vanity w/ granite countertops, soaking tub, separate shower and water closet. As a split floorplan, the two downstairs secondary bedrooms are located on the other side of the home and share a full bath. Upstairs features two additional large bedrooms, a full bath with tub/shower, and huge loft which opens to the downstairs.
