5 Bedrooms | 4 Bathrooms | 2,941 Sqft

Welcome into 1561 Montclair, a beautifully renovated 2,941 SQFT brick home tucked away on a quiet and private street. Step through the large foyer highlighted by a stunning designer lighting feature, immediately setting the tone for the luxury that continues throughout. To the left, the formal dining room offers an elegant space for gatherings, leading seamlessly into the expansive living area anchored by a sleek stucco fireplace and enhanced by abundant natural light. The chef's kitchen is a showpiece of craftsmanship, featuring a hand-finished stucco range hood, quartz countertops with soft veining, premium appliances, custom cabinetry, brass accents, and exposed beams that elevate the vaulted ceiling. The main primary suite is a true retreat, offering a full custom dressing room in addition to a separate walk-in closet, along with a spa-inspired bathroom boasting a freestanding soaking tub, oversized rainfall shower with decorative tile inlay, and dual vanities. The second primary suite features skylights that brighten the space and its own beautifully updated private bath. Two additional secondary bedrooms and an additional full bath are located in the far wing of the home creating ideal separation of space for family or guests. Upstairs, the finished room over the garage provides exceptional flexibility with its own full bath and a brand-
