5 Bedrooms | 2.5 Bathrooms | 3,569 Sqft

Tucked away on a quiet cul-de-sac in the desirable Whitehall community, this spacious 3,569 sq. ft. home offers a rare combination of thoughtful updates, abundant storage, and exceptional living space--both indoors and out. Step inside to a welcoming ceramic-tiled foyer and smooth ceilings throughout. The main level features a large family room with a gas fireplace, hidden storage closet, and pre-wired surround sound. A bright Florida Room with ceramic tile flooring leads directly to the expansive back deck, perfect for relaxing or entertaining. The kitchen, updated with granite countertops boasts tons of cabinetry, under-cabinet lighting, and smart stainless-steel appliances (dishwasher, oven, microwave, and refrigerator--all 2022). All kitchen appliances convey. Upstairs, the generous primary suite features a tray ceiling, double vanity with granite counters, jetted garden tub, walk-in shower, and private water closet. The additional bedrooms are well-appointed, and the guest bathroom offers a convenient shower/tub combo. The large FROG serves as the 5th bedroom, complete with a closet, access to a full bathroom, brand-new Berber carpet, and its own stairwell leading down to the kitchen and access to additional dry storage if needed. =% Key Updates & Features
