Step into this stunning home in the highly sought-after 55+ gated community of Del Webb! This beautifully designed 3-bed, 2-bath residence offers an open-concept layout adorned with hardwood floors, ceiling fans, blinds, window treatments and crown molding throughout. The gourmet kitchen is a true gourmet's paradise, featuring a walk-in pantry, coffee bar, a spacious kitchen island, granite countertops, stainless steel appliances, and a gas convection range. Relax and unwind in the sunroom, which overlooks a privately wooded yard complete with an extended patio and remote-controlled awning. A versatile front room can serve as a library or office, while the upstairs finished space provides additional options for an office, game room, or study with a separate HVAC zone. The luxurious primary suite boasts tray ceilings, a double vanity, a walk-in tile shower, and an expansive custom designed walk-in closet. There are two additional spacious bedrooms and full bathroom for guests or family. The 4' extended garage offers ample storage with a built-in laundry sink and pull-down attic access with formal storage above the garage. Community amenities include a clubhouse, pools, fitness center, tennis and pickleball courts, scenic walking trails and numerous clubs and scheduled events. Conveniently located near local shops and
