3 Bedrooms | 2 Bathrooms | 1,574 Sqft

WELCOME HOME to The Farm at Wescott Plantation! This charming 3 bedroom, 2 bathroom home has it all. Step inside to the wide foyer to be greeted with updated wide plank engineered flooring. Walk into the bright and open family room perfectly designed for entertaining family and guests. The large kitchen offers bar counter seating, plenty of counter space, cabinets and a pantry. Enjoy family dinners in the separate dining area complete with a large window for outside viewing and a sliding glass door to access the back patio. Towards the back of the home is the large primary suite. Enjoy the relaxing downtime in the large sitting area that can be used as a small office space or a dressing powder room area. The large suite also has direct access to the covered patio. Step into the master bathroom which has a soaking garden tub and a separate glass door stand-up shower. The guest bedrooms are both well sized with extra closet space for storage. The separate laundry room is completed with a shiplapped wall, cabinets and shelves for more storage. Walk outside to the private fenced backyard and covered patio perfect for entertaining. Bring your outdoor speaker outside and connect the music for more outdoor fun! Enjoy all of the great amenities that The Farm at Wescott Plantation has to offer, including a community pool, a clubhouse, a playground,
