3 Bedrooms | 3 Bathrooms | 1,632 Sqft

Escape the hustle and bustle with this hidden gem nestled on over half an acre of serene countryside. This charming 3-bedroom, 3-bathroom home offers the perfect blend of privacy and spacious living, all while being just off the beaten path. The open layout seamlessly connects the kitchen to the dining and living areas, creating a warm and inviting space for gatherings with family and friends. Each of the three bedrooms is generously sized and offers its own private bathroom, providing comfort and convenience for everyone in the household. The third bedroom could possibly be turned into an additional dwelling. Whether you're looking for a peaceful retreat or a place to grow, this home's flexible floor plan is sure to meet your needs. This home was completely remodeled 3 years with new roof, HVAC and septic. All upgraded plumbing and fixtures in every room. The kitchen has butcher block counter tops.
