4 Bedrooms | 2.5 Bathrooms | 2,319 Sqft

Exceptionally maintained, this home is sited on a gorgeous pond lot with sweeping vistas of the water from the kitchen, living areas, and primary bedroom. This open and functional layout offers outstanding versatility and flexibility.... four bedrooms, a dedicated home office, and a spacious loft--allowing every space to serve its purpose without compromise. A private office is thoughtfully positioned at the front of the home, leading into a bright, open living, dining, and kitchen area ideal for everyday living and entertaining. The dining area opens to a covered patio overlooking the pond, creating a seamless indoor-outdoor connection. The drop zone is an extra upgrade custom built by the owner. All lighting downstairs has been upgraded. Upstairs, you'll find four generously sized bedrooms and a central loft. The primary suite is tucked away at the rear of the home for added privacy and features tranquil pond views, a spa-inspired bath with soaking tub and tiled shower, and an impressively large walk-in closet. Sea Island Preserve offers a pool and pickleball and a security gate that is closed each night for an added layer of comfort and security.
