This light-filled end-unit townhome with 10' ceilings on the first floor and 9' on the second floor, offers a sophisticated layout designed for both comfort and style. The first floor features a seamless living and dining room combination with an effortless flow into the kitchen--ideal for entertaining and everyday living. The kitchen is thoughtfully appointed with a large center island featuring a farmhouse sink. The kitchen also features a gas cook top, double ovens and built in microwave, creating a space that is as functional as it is stylish. A well-placed powder room with a discreet drop zone adds convenience, while engineered hardwood floors throughout the main level bring warmth and sophistication. Upstairs, a generous lounging area measuring approximately 14'10" by 15'8" is bathed in natural light, creating a versatile retreat for relaxation, work, or media room. The Ashley floor plan offers the upstairs primary bedroom with an ensuite spa-like bath and a full size walk in closet. Two additional secondary bedrooms are enhanced by a beautifully appointed full bathroom, perfectly positioned for effortless access from both the bedrooms and the adjacent lounge. The exterior is thoughtfully designed with a widened driveway, separate garage access and a 12' x 6' concrete patio extension, delivering a modern setting for effortless outdoor
