Welcome to this elegant custom home located in the highly desirable Estate section of Seaside Plantation. Moss-draped live oaks frame the front and side yards, creating a serene and picturesque setting that perfectly captures the charm of the Lowcountry. Enjoy a peaceful atmosphere just a short walk from the community boat ramp and dock, ideal for boating and waterfront living. This prime location offers the best of both worlds♦only a 15-minute drive to Folly Beach and 15 minutes to historic downtown Charleston. Built in 2000, this elevated traditional-style home features a welcoming full front porch and thoughtful design throughout. The kitchen opens seamlessly to the family room, that leads to a refreshing bright sunroom. Just beyond, is a spacious deck the perfect setting for outdoor entertaining and cookouts. The primary suite is conveniently located on the main living level and includes a jetted tub, walk-in shower, and dual vanities. Elevated construction allows for exceptional storage beneath the home, along with ample space for a two cars and workshop. This home offers timeless design, a tranquil setting, and an unbeatable location for enjoying the Lowcountry lifestyle.
