Beautifully appointed, furnished home offered by the original owner. The TAFT plan features a large, open concept living space with primary suite, laundry, office, 2nd bedroom and full bath downstairs, and a great room with 3rd bedroom and 3rd full bath upstairs. Sellers opted for the bonus dining room that seats 8-10 so this home lives large while remaining easy to manage. A covered front porch and open patio out back provide spacious outdoor enjoyment at home, although most residents rave about the Resort Amenities Center which includes everything from an olympic-sized pool, pickleball, tennis, and exercise, to daily social & community activities. This home was only used 6-8 months per year and can be sold furnished or unfurnished at this price.
