4 Bedrooms | 4 Bathrooms | 2,804 Sqft

Welcome to this recently completed Old Mount Pleasant renovation/addition offering 5 bedrooms and 4 bathrooms with an open, expansive layout designed for modern Lowcountry living. The kitchen, dining, living, and seating areas flow effortlessly beneath vaulted ceilings, creating a bright and airy feel throughout--including vaulted ceilings in every bedroom and a striking metal-clad, glass-walled office/5th bedroom featuring dormers that flood the space with natural light. Designed for comfort and flexibility, the home features en-suite bedrooms on both the first and second floors, perfect for guests or extended family. The first-floor primary suite is a true retreat, featuring a spa-like bath with an inviting wet room and a soaking tub. No expense has been spared with custom-built-in closets, a convenient coat drop, a wet bar, and premium finishes throughout. The chef's kitchen is anchored by a stunning 48 Viking range and stainless hood, overlooking a full-size pool complete with a tanning ledge, water feature, and umbrella holder ideal for entertaining. Coming soon: an additional accessory structure currently under construction, adding approximately 500 sq ft of conditioned living space, including a full pool bath, game room, entertaining room, and spacious screened porch. A covered outdoor kitchen conveniently located near the main
