4 Bedrooms | 3 Bathrooms | 2,156 Sqft

Situated in the heart of James Island, this adorable home is just minutes from downtown Charleston and the beaches. The property features a light filled open floor plan that flows effortlessly between the living, dining, and kitchen areas. Ideal for both everyday living and entertaining. The spacious primary suite offers a walk-in closet and a peaceful retreat, while additional bedrooms provide comfort and privacy. A large bonus room adds flexibility, perfect for a home office, gym, or additional living space. Abundant natural light enhances the home's clean finishes, crown molding, and thoughtfully designed layout throughout. Step outside to an expansive outdoor living area featuring a brand new pool and a deck designed for entertaining. The generous backyard offers ample space to relax, gather, and enjoy the coastal lifestyle.
