Move in ready 3/2.5 + office + flex with \$25k in post closing upgrades! Double porches reflect Charleston's traditional architectural style while inside is outfitted with all the modern bells and whistles you could ask for: hardwood floors everywhere, custom blinds, brushed gold fixtures, wallpaper accents, and built-in cabinetry around fireplace. This Murray floorplan offers tons of flexibility with an oversized living room, ground floor study with french doors, and three bedrooms plus a flex space upstairs. Kitchen has gas range and wall oven - appliances convey. You'll love the porches - including a screened porch overlooking fenced yard. Private rear entry garage. Twin Lakes has sidewalks and a neighborhood pool. This is essentially a second home and has been meticulously maintained.
