\$300,000

4 Bedrooms | 2 Bathrooms | 1,504 Sqft

Fully renovated ranch home offering four bedrooms and two full baths, designed with both comfort and style in mind. The open-concept kitchen flows seamlessly into a separate dining area and additional living spaces, creating the perfect setting for larger families and those who enjoy hosting gatherings. A generous backyard provides plenty of room for barbecues and weekend get-togethers, making this home an ideal blend of indoor and outdoor living. Move-in ready and waiting for you!
