An extraordinary and rarely available setting sets this home apart. Enjoy sweeping views of a peaceful pond and expansive, privately owned land where grazing horses create a serene countryside backdrop-an experience seldom found within an amenity-rich community. This truly provides the best of both worlds: tranquil, open views paired with neighborhood conveniences. Equally rare, the home features a three-car garage, providing exceptional storage and flexibility. This like-new 5-bedroom, 3.5-bath residence boasts a thoughtfully designed, light-filled floor plan with a primary suite conveniently located on the main level. A welcoming foyer and formal dining room lead into the open kitchen, showcasing stone-gray cabinetry and stainless steel appliances, flowing seamlessly into the spacious family room anchored by a cozy fireplace. Upstairs, you'll find a generously sized fifth bedroom or flex space, ideal for a media room, home office, guest suite, or playroom-offering exceptional versatility. The home also features spacious closets throughout and easy attic access with additional storage, further enhancing its functionality. Meticulously maintained and truly like new, this home is move-in ready in every sense. Located in the highly desirable Bluefield West community, residents enjoy access to a community pool and neighborhood amenities,
