3 Bedrooms | 2 Bathrooms | 1,362 Sqft

Stunning, well-maintained home on a large, sparkling pond in Wescott! Walking distance to trails and the amenity center, this move-in ready home features an open and inviting floorplan and gorgeous low-maintenance landscaping. 3 bedrooms and 2 full bathrooms, including a spacious master bedroom with a walk-in closet and plenty of linen/coat closets throughout. Thoughtful and impeccable improvements include a clever murphy bed, integrated storage, spacious back patio with EZ-Breeze windows, plunge pool, curated landscaping, 2 year old roof, and plenty of driveway space. Past the garden is a large, serene pond that makes the backyard feel endless. This is a great opportunity to live in the established Wescott community, with easy access to new and coming-soon shopping centers and dining.
