**\$389,000**

**3 Bedrooms | 2.5 Bathrooms | 1,640 Sqft**

Ready March! The Dillon is a thoughtfully designed two-story home offering 3 bedrooms and 2.5 baths with a layout built for everyday comfort. The open main level feels bright and airy, featuring a large kitchen island overlooking the great room--perfect for gathering or relaxing. A walk-in pantry and convenient drop zone with coat closet just off the garage add effortless functionality. Enjoy outdoor living on the spacious covered porch, ideal for morning coffee or evening downtime. Upstairs, the inviting primary suite includes three closets, one a generous walk-in, along with dual sinks, a walk-in shower, and a private water closet. 2 additional bedrooms, a full bath, linen storage, and a centrally located laundry area complete the home. Located in Central Creek, a new boutique community
