3 Bedrooms | 2 Bathrooms | 1,570 Sqft

This well-maintained two-story single-family home blends thoughtful updates with timeless charm in one of Mount Pleasant's established neighborhoods. Featuring 3 bedrooms and 2 full baths across approximately 1,570 square feet of living space, this property delivers functional design, interior character, and outdoor appeal -- truly a home that works for both day-to-day living and weekend entertaining. Step inside and immediately notice the hardwood flooring that flows across the main level and up the stairs, giving the home a warm, cohesive feel. The open living, dining, and kitchen concept makes everyday life effortless -- from cooking family meals to hosting friends for game night. A fireplace in the living area anchors the space with cozy appeal and adds a versatile focal point for both casual evenings and festive gatherings. The layout delivers flexibility and privacy: one bedroom and a full bath on the first floor provide convenience for guests or multi-generational living, while two additional bedrooms and another full bath upstairs create a comfortable retreat for family members or roommates. Large windows bring in abundant natural light, enhancing the inviting atmosphere throughout. One of the standout features of this home is the large screened back porch a true extension of your living space. It's the perfect setting for morning coffee,
