MLS# 26002566

\$295,000

2 Bedrooms | 2 Bathrooms | 1,068 Sqft

This top floor 2BR/2BA condo features vaulted ceilings, built-ins, in-wall electric fireplace and luxury vinyl flooring. Patio is shaded by trees which also provide privacy for the primary suite. In the kitchen you'll find quartz countertops, soft close cabinetry, open shelving, pantry and stainless appliances. Laundry room is off the kitchen and offers extra storage. Primary bedroom's en suite bathroom has quartz vanity, walk-in shower and walk-in closet. Guest suite has oversized walk-in closet and garden tub/shower combo. HVAC replaced 2025. Building roof replaced 2025. Monthly regime includes water/sewer, swimming pool, gym, tennis courts, basketball court, walking trails, car-washing station, clubhouse, landscaping, trash pickup, building termite treatment & insurance.
