**\$350,000**

**3 Bedrooms | 2 Bathrooms | 1,435 Sqft**

Move-in ready and thoughtfully updated, this well-maintained one-story home with a bonus/flex space above the garage offers a functional and flexible layout. Recent improvements include new LVP flooring, fresh interior paint, and popcorn ceiling removal. The home features 4 bedrooms and 2 baths, with the bonus room providing ideal space for a home office, playroom, or additional living area. The fenced backyard includes built-in play equipment and storage shed, with convenient rear-yard access from the garage. Recently pressure washed and consistently cared for, this home reflects pride of ownership and is conveniently located near shopping, schools, and major commuter routes. Schedule your showing today!
