4 Bedrooms | 2 Bathrooms | 1,383 Sqft

Charming and beautifully updated coastal cottage blending timeless Edisto Beach character with thoughtful modern enhancements. Located at the end of a quiet cul-de-sac, just a short walk to the Atlantic, this classic 1950s beach home has been expanded to offer increased square footage and functional layout. Light-filled living spaces, and a relaxed coastal aesthetic create an easy flow throughout. The updated kitchen and bathrooms reflect modern coastal living while preserving the home's original charm. Outdoor living shines with multiple porches and decks, including a screened porch, plus a ground-level entertaining area with bar. Backing to the 4th green of Edisto's golf course, the property offers privacy, mature landscaping, ample parking close to beach, golf, dining, and nature.
