New exterior siding, interior updates, fenced in courtyard, and a convenient location - central to beaches, great shopping, restaurants, and more, are what makes this townhome a standout. A turnkey, lock and leave property, this could be perfect for anyone who needs a low maintenance lifestyle, or perhaps a second/vacation home. Inside the first floor features an open plan with a living room, dining area, fireplace, kitchen with updated appliances and a breakfast nook. Upstairs, two bedrooms boast their own private bath and the bedrooms have low maintenance luxury vinyl plank floors installed in October of 2022. The courtyard backs to a pond for great privacy. Beaumont residents enjoy access to a community pool and clubhouse.
