Just steps from the vibrant Nexton Square, this beautifully maintained home offers everything you need and more! Located in the highly desirable Carriage Lane Subdivision, this spacious home sits on a near 1/3 acre lot at the end of a quiet cul-de-sac. With dual primary suites, a heated saltwater pool with tanning ledge, and a large, privately fenced backyard, this home is perfect for both entertaining and relaxing in comfort. Major recent updates include a new roof in 2023, new flooring, a new hot water heater, and freshly painted interiors that add a modern, fresh feel. The open-concept kitchen features granite countertops, a large island, stainless-steel appliances, and plenty of storage, making it ideal for hosting. The main primary suite is located on the first floor and includes dual vanities, a separate tub and shower, and an extra large walk-in closet. Upstairs, enjoy a spacious bonus loft area, three generous bedrooms, a bathroom, and a second primary suite with its own en-suite bathroom. Step outside to your very own private oasis! The heated in-ground saltwater pool and patio were added in Oct. of 2024 and are perfect for year-round enjoyment. The screened-in porch offers the ideal space to relax while overlooking the fenced backyard. With the HERS rating for low utility bills, this home offers efficiency and comfort. Best of all, you're just a quick golf cart
