Come enjoy Lowcountry living at its best! This gorgeous Seaside plan home located in The Tributary has it all and shows like a model! This 3BR/2.5BA well-designed plan has lots of extras and Charleston charm. This property offers double front porches, an open floor plan, attached two car garage, and a lovely screened porch. Additional features include recently updated LVP downstairs, new carpet and fresh paint upstairs, raised smooth 10' ceilings, crown molding, and a lovely pond view. This stunning kitchen includes granite countertops, upgraded cabinetry, specialty lighting, stainless steel appliances, a gas range, and a kitchen island. This kitchen is a dream! The attached two garage is a rare bonus in the Tributary. The back entryway from the garage leads to the laundry room, powder room and side screened porch. The screened porch outdoor living space is ideal for grilling or relaxing and opens up to a nice side yard. The living room is large and inviting and includes a ceiling fan and a cozy gas fireplace! Upstairs, the master suite includes smooth ceilings, a ceiling fan, spacious walk-in closets, and beautiful pond view. The master bathroom features dual vanities, upgraded cabinetry, and shower. There are two additional bedrooms-- including a spacious one with front porch access-- a linen closet, and a Jack-and-Jill bathroom. This neighborhood
