5 Bedrooms | 3.5 Bathrooms | 3,186 Sqft

Looking for space, flexibility, and move-in-ready comfort? This beautifully updated 5 bedroom, 3.5 bath home offers over 3,100 square feet of thoughtfully designed living space on a quiet street in Fieldview. From the welcoming double front porches to the bright, open living areas, this home is designed for both everyday living and entertaining. High-end cork-backed LVP wood flooring flows through the main level and primary suite. The professionally designed kitchen features quartzite countertops, an oversized breakfast bar-wide enough to be used as a buffet for gatherings, abundant cabinetry, a gas convection range, and a pantry, making it perfect for hosting. The spacious primary suite offers a true retreat with a walk-in closet, dual vanities, a garden tub, and a separate shower. Upstairs, a massive 19x20 loft provides flexible space for a home office, playroom, or media room. Four additional bedrooms offer generous closets, including one with access to the upper porch, ideal for morning coffee or evening relaxation. Upstairs also features a large laundry room with a window, cabinetry, and a slop sink. Additional upgrades include a gas tankless water heater and a REME Air Purification System installed in August 2021 and incorporated into the home's HVAC system, enhancing indoor air quality throughout the home.
