Reminiscent of downtown Charleston, this handsome three story Charleston single overlooks East Lake in I'On. Gates designed and crafted by Philip Simmons provide a charming entrance to an enclosed courtyard complimented by a camelia garden, a lovely fountain and a surrounding brick privacy wall. Charming double porches overlook the garden and the lake. Wide planked heart pine floors and magnificent trimwork are one of the many hallmarks of this home. Adjacent to the gourmet kitchen and breakfast area are a scullery kitchen, pantry and screened porch. Remarkable views of the lake can be seen from the master bedroom, living room and from the expansive media room/office on the third floor. A two story guest house with a kitchenette and studio complete this exceptionally special home.
