4 Bedrooms | 4.5 Bathrooms | 3,891 Sqft

Gorgeous custom-built home situated on a peaceful, private lagoon lot offering Lowcountry charm, space, and flexibility for modern living. This spacious residence features 4 generously sized bedrooms and 4.5 bathrooms, with both the primary suite and a guest suite conveniently located on the main level. A grand foyer welcomes you into this coastal-inspired home. A private study with French doors, extensive trim and detailed woodwork sits just off the entry, while a large formal dining room is positioned across the hall -- ideal for entertaining. Gorgeous Australian Cypress floors extend throughout the entire first floor, staircase, and upstairs loft area. Ten-foot ceilings and plantation shutters on the main level add to the home's open, elevated feel. The renovated kitchen features leathered granite countertops, KitchenAid appliances, tall white cabinetry, abundant storage, and a custom island perfect for casual dining and gathering. The kitchen flows seamlessly into the bright family room showcasing a gas fireplace, built-in shelving, and French doors opening to the expansive wraparound porch. The primary suite is tucked at the rear of the home, offering peaceful views of the large private yard and lagoon. The ensuite bath includes dual sinks, framed mirrors, a tiled shower with seat and a jetted soaking tub. The oversized primary closet
