\$285,000

3 Bedrooms | 1.5 Bathrooms | 1,392 Sqft

This charming brick ranch is move-in ready and awaiting its next owner. Offering 3 bedrooms and 1.5 baths, the thoughtfully designed layout features an open flow between the living and dining areas, creating an inviting space ideal for both everyday living and entertaining. A versatile bonus room provides flexibility as a home office, playroom, or potential fourth bedroom. The kitchen is appointed with granite countertops, stainless steel appliances, and updated lighting. Other recent improvements include a newer roof and HVAC system for added peace of mind. Situated on an expansive lot, the impressive backyard offers exceptional space for outdoor living, recreation, gardening, or future enhancements.
