This grand 1930's Craftsman on Rutledge Avenue has been completely restored to last a lifetime. Every possible attention to detail has been put into the recent renovation of this home. Walking in the front door of this home feels warm, inviting, and modern but with that old Charleston charm. The open floor plan with a lighted vaulted shiplap ceiling and gourmet kitchen are perfect for entertaining. The front porch and back porch and large backyard add additional living space beyond the nearly 2000 square feet of interior square feet. Upon entering the home you are greeted by a spacious living area with a gas fireplace and exposed brick walls that are two layers thick. The living area also benefits from vaulted ceilings with exposed beams and historic window headers. The kitchen flows seamlessly off this area with a custom brick backsplash, oversized gas range with custom hood above, a farmhouse sink on a dine in island that is perfect for entertaining. The hardware and the light fixtures and the trim finishes through these areas clearly blend design and style intertwined with timeless elegance. The rest of the home has 4 bright and spacious bedrooms with each bedroom in this home is furnished with it's own bathroom. The bedrooms all feature hand made custom closets and spectacular, modern bathrooms. Towards the rear of the home are a set
