\$700,000

4 Bedrooms | 3.5 Bathrooms | 4,002 Sqft

Stunning dual primary home. One primary down and an additional primary upstairs. This home is impressive from the moment you enter. Vaulted ceilings make the over four thousand square feet feel even larger. You enter into a spacious living room and separate dining room. This homes flows for flawless entertainment. The kitchen is set in the back of the home with plenty of prep space, extensive cabinet space and room for an additional eat in. The laundry downstairs connects to an additional bonus room that is ideal for an office, home schooling or playroom with a covered entrance to the yard. The primary located downstairs is massive with a huge primary bathroom. The upstairs holds an additional three bedrooms and two bathrooms. This home has it all!!!
