5 Bedrooms | 3.5 Bathrooms | 3,304 Sqft

Incredible opportunity to own a gorgeous, new construction home in the highly sought-after Masonborough section of Park West. This stunning 3,300 sq ft residence, completed by Roke Custom Homes with designer selections by Noel Kade of Method of Design, offers 5 bedrooms and 3.5 baths. The elevated design is perfectly positioned on a serene pond-adjacent lot with beautiful interior finishes throughout. With low-country styling such as stacked porches, generous front porch, lap and board and batten siding, second floor dormer windows, this elevated home features a three-car garage plus a fourth bay for a golf cart, with additional ground-level space ideal for a workshop, home gym or game area for the kids. Inside, the first floor welcomes you with a dramatic two-story foyer and a private office. The home then opens into a spacious open-concept living area featuring a great room with ventless fireplace, chef's kitchen, and eat-in dining space. The kitchen is anchored by a large quartz center island, premium Fisher & Paykel appliances, cabinetry with abundant storage, pull-out shelving, custom dividers and extra-deep drawers. The eat-in dining area boasts a vaulted ceiling with perimeter windows and flows seamlessly through glass sliding doors onto an expansive screened porch, creating effortless indoor-outdoor living. Laundry, with folding
