\$785,000

2 Bedrooms | 2 Bathrooms | 1,337 Sqft

Darling Pied-a-terre mere steps from all downtown living has to offer. well renovated freedman-style dwelling melds 19th century charm with modern upgrades. Well restored and brought into fashion in 2008, this cozy house has been used as rental, second home and vacation retreat by current owner. Bright kitchen is at front of house. Heart of the home is wood lap living room with wine bar tucked under a staircase, gas logs cool nights and double French windows at the far end for when breeze is wanted. Primary bedroom is its own cozy space behind the fireplace. Second floor is reclaimed space and offers its own retreat with bedroom at rear of the home and super cute full bath in the front gable.
