3 Bedrooms | 2 Bathrooms | 1,471 Sqft

Completely renovated and expanded, this move-in ready home in Goose Creek has been thoughtfully updated throughout. Over 300 square feet have been added, giving you extra living space and an even more functional layout, and a welcoming front porch has been added to enhance both curb appeal and outdoor enjoyment. This 3-bedroom, 2 full-bath home features an open floor plan filled with natural light. The fully updated kitchen offers granite countertops, tile backsplash, new cabinetry, tile flooring, stainless steel appliances, and recessed lighting. Both bathrooms have been completely renovated with new vanities, toilets, and updated fixtures. Tile flooring runs throughout the kitchen and living areas, while the bedrooms feature a combination of hardwood and luxury vinyl plank flooring. Major upgrades include a brand-new architectural shingle roof, fresh interior and exterior paint, new lighting, ceiling fans throughout, and HVAC recently tested. The crawlspace has also been fully encapsulated recently, providing added protection and improved energy efficiency. There is a separate laundry area conveniently located off the kitchen. Step outside to enjoy the screened-in porch overlooking the large fenced-in backyard, complete with an above-ground pool and spacious storage shed. The covered carport and expanded driveway
