Beautiful one-story brick home in Irmo, SC on 6.27 acres. 4 Bedrooms plus a bonus room over the garage that could make a great apartment suite or used as a 5th bedroom. The primary bedroom suite with tray ceiling has 2 separate full bathrooms. Enjoy entertaining with large living, dining, and family rooms and a sun room that overlooks the in-ground swimming pool. Beautiful wood trim craftsmanship throughout the custom built home with all the bells and whistles. Truly a must to see. Property includes 2 wells for the house and sprinkler system plus an alarm system. The 3-car garage includes a workshop with a sink included. This family has enjoyed the home for 23 years and hopes the next family will love it for years to come. A Home warranty is included and a transferable termite bond.
