The Gem of Wando Village. This home has every upgrade the builder offered. From an elevator, beautiful countertops, coffered ceilings, three paneled sliding doors, to all wood flooring, the list goes on. You don't want to blink for this one. Upon entering the home you'll first see your sun filled entertaining room. This large room can be used for your weekly Mahjong games or formal dining for those special occasions. Follow into the main living area where a wall of windows will bring the outside in with a dramatic view of the wooded backyard. This open area offers a huge kitchen island with stunning countertops and ceiling height cabinetry. The convenient floor plan includes a built-in bar area, dining, and access to wrap around porches for your outdoor living. The first floor space also includes a bedroom and full bath that would be perfect for guests. Once upstairs you'll first see an open flex space with large windows providing sweeping views of the Wando River. The flex space could easily be converted to a fifth bedroom if needed. The spacious primary bedroom is also located upstairs. Special details include gorgeous bathroom finishes, closet built-ins and access to a large porch. The two other bedrooms are upstairs. Both have ensuite bathrooms. The elevated garage provides plenty of room for cars, storage, and equipment. The garage area
